#### Report on Expert Talk – Career Guidance

MBA graduates specializing in Finance and Marketing have wide opportunities to build their careers in Financial Services with special reference to Stock Market and Trading both at National and International Level. In this regard An Expert talk was organized on 10.01.2023 at 11.00 am to 3rd semester MBA Students in an order to guide the students about the required preparations to build the career and also to start preparing to crack interviews in such companies.

Mr. Akshay K M the Branch Head of Stockholding Corporation of India, Hassan Branch gave a speech and guided the students about the career opportunities Opportunities and how to keep upgrading oneself in order to stay competitive in the career. He guided students on “Self Trading” as an individual investor and about how to enter this field. He advised the students to enter register in company websites and job websites like Monster.com Naukari.com and recommended to attend online interviews as many as possible.

As HDFC Mutual Funds has fixed a lower limit of just Rs.100 to trade as an offer to students, Resource Person recommended the students to open a De-Mat Account and start trading with a minimal amount as it boosts their trading skills and knowledge about stock market. Grow-app can be a good app for the students for self-guidance.

As De-Mat Account is a mandatory criteria to trade or invest in stock market and also free to open for students, therefore Ms. Yogashree and Mr. Muralidhar Nayak Course in-charge and event in-charge have planned to hold a drive in the last week of January 2023 to facilitate in opening of De-Mat Account for the 3rd SEM MBA Students Batch 2021-23.

Students interacted well with the resource person and got their doubts cleared. Mrs. Muskan, Student 3rd Sem MBA had well handled the flow of program throughout the session.
