

RAJEEV INSTITUTE OF TECHNOLOGY, HASSAN

A TALK ON

"JOB OPPORTUNITIES IN VLSI
AND EMBEDDED SYSTEMS"

ORGANISED BY THE
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING
IN ASSOCIATION WITH
IETE, MYSURU CENTRE

CO-ORDINATED BY:
MR. ROHITH P
ASST. PROFESSOR
DEPT. OF ECE, RIT, HASSAN

RESOURCE PERSON:
MADHUSUDHAN H
CO FOUNDER
M.R.C.R EXTENSION
GOVINDARAJA NAGAR, BANGALORE-560040

Report of Technical Talk

on

"Job Opportunities in VLSI and Embedded Systems"

Organized by the

Department of Electronics and Communication Engineering

Rajeev Institute of Technology, Hassan

on 07-06-2023

The Department of Electronics and Communication has organized a Technical Talk on "Job Opportunities in VLSI and Embedded Systems". Around 45 Students attended this event.

The main objective is to provide knowledge of latest developments that have happened in field of VLSI and Embedded Systems and also to guide students about the job opportunities in these fields.

Objectives of the Technical Talk

- To discuss the job opportunities in the field of VLSI and Embedded Systems.
- To discuss the skills and qualifications required.

Outcome of the Technical Talk

- Students are able to understand the various career opportunities available in the field of VLSI and Embedded Systems.
- Students are able to identify prior knowledge in these fields.

Resource Person: Mr. Madhusudhan H, Co-founder, Pentagon space

Date: 07/06/2023

Time: 2:00 PM -3:00 PM

Venue: Lecture Hall-415

Mr. Madhusudhan H, discussed about the importance of VLSI and Embedded Systems in Industry. He highlighted about the recent developments happening in the field. He explained about the vastness of the embedded systems, VLSI and interrelation of these domains in application environment. Basic knowledge required in these fields are described in brief. The speaker encouraged the students to start by gaining the necessary skills and knowledge in the respective domains of individual interest.
