

## DEPARTMENT OF CIVIL ENGINEERING

### SYNOPSIS

**Title:** Webinar on GATE Exam Cracking and Career guidance programme on 23-07-2021

**Convenor:** Mr. Sujay S, Assistant Professor and Head of Civil Engineering, RIT, Hassan

**Faculty coordinators:** Mr. Sanjay Kumar A C, Assistant Professor, Dept. of Civil Engg, RIT, Hassan

**Attendees:** Pre-final year and final students of the Civil Engineering department

---

The webinar started at 10 a.m. Mr. Sujay S, Assistant Professor and Head of the Department of Civil Engineering welcomed Dr. Ramakrishna A N, Principal, Rajeev Institute of Technology, Hassan to the webinar. He welcomed Mr. Anil Sagar S, speaker of the programme and faculties and students to the webinar. Dr. Ramakrishna A N, Principal addressed the webinar and advised students to develop skills of civil engineering. Mr. Sanjay Kumar A C, Coordinator of the webinar gave an introduction about Mr. Anil Sagar S. Later Mr. Anil Sagar S started giving a presentation on the cited topic. The details of the presentation are as follows.

#### 1. Objective:

The primary objective of the webinar on "GATE Exam Cracking and Career Guidance" organized by the Department of Civil Engineering under the Akriti Club was to provide pre-final year and final year students of Rajeev Institute of Technology, Hassan, with comprehensive insights into the Graduate Aptitude Test in Engineering (GATE) examination, strategies for cracking it, and valuable career guidance in the field of Civil Engineering.

#### 2. About the Activity/Exhibition:

The webinar was conducted on [Date] and lasted for approximately [Duration] hours. The event featured distinguished speakers who are experts in the field of Civil Engineering and have extensive experience in GATE preparation and successful careers. The session was structured to cover various aspects, including an introduction to the GATE exam, effective study techniques, time management, subject-wise preparation, and post-GATE career options. The speakers also shared their personal experiences, success stories, and valuable tips that could benefit the students.

### 3. Outcome:

The webinar successfully achieved its intended outcomes:

1. **Enhanced Understanding of GATE:** The participants gained a clear understanding of the GATE examination format, syllabus, and its significance in higher education and career prospects.
2. **Study Strategies:** The speakers provided insights into effective study strategies, including subject prioritization, study materials, and the importance of regular practice. This guidance aimed to help students optimize their preparation.
3. **Time Management:** Students learned how to manage their time efficiently during the exam preparation period, ensuring effective coverage of the syllabus and adequate revision.
4. **Subject-Wise Preparation:** The webinar offered subject-specific advice and recommended resources to aid in comprehensive preparation across various subjects within the Civil Engineering discipline.
5. **Career Pathways:** The career guidance segment illuminated the diverse career pathways available to Civil Engineering graduates after cracking GATE. This information helped students make informed decisions about their future endeavors.

### 4. Benefit to Students:

The webinar delivered several benefits to the participating pre-final year and final-year students:

1. **Clarity and Focus:** Students gained a clearer understanding of the GATE exam, enabling them to approach their preparation with focused efforts aligned with the exam's requirements.
2. **Confidence Boost:** Insights from successful professionals inspire confidence among students, motivating them to believe in their potential to excel in the GATE exam and beyond.
3. **Strategic Preparation:** Practical study strategies shared by experts empowered students to prepare more strategically, optimizing their efforts and resources.
4. **Time Management Skills:** Tips for effective time management empowered students to strike a balance between their academic responsibilities and GATE preparation.
5. **Informed Decision-Making:** The career guidance segment equipped students with the knowledge required to make informed decisions about post-GATE career options, promoting better alignment with their interests and aspirations.
