CIRCULAR

It is hereby informed to all the HOD's with respect to the VTU circular ref. No. VTU/Aca/2022-23/723 **Spoken Tutorial, in association with IIT Bombay**, is providing an opportunity to the students of Rajeev Institute of Technology. They are offering **add-on certification courses** at a fair price. All the HODs are instructed to create awareness among the students (4th and 6th) and faculties of your respective departments to avail of the benefit. The add-on course is mandatory for all students and it has to be completed. The registration fee is **Rs. 100** per student, and it has to be collected through the proctors on or before **July 11, 2023**. Submit the credentials of the student's registered details in an Excel soft copy, which will be sent to your e-mail address. The course list is attached with the circular for your reference and to convey the same to students and faculties. A course slot will be announced after the registration process.

Few Benefits for Students:

1. Learn practically via the self-learning method in your own time, approx. 2-3 weeks (25 to 30 hours).
2. Get a Certificate from the IIT Bombay-Spoken Tutorial.
3. Complete in-service, GOI, MoE, UGC, etc. requirements to learn MOOC courses.
4. Students scoring well in the tests will be entitled to be a part of the Job fairs conducted at IIT Bombay, where many reputed organizations will recruit the students.
5. Open Source Software along with a certificate
6. Suited for self-learning - no need for experts or 'live' interactions
7. Offering the flexibility of learning to the student.

NOTE:

Registration procedure has to be done through Respective proctors.
