

Department of Electrical and Electronics Engineering

Semester: 1

IIC 7.0 Calendar Activity

Quarter 2

Activity Name	Field Visit To Krishi Vigyan Kendra - Kandli Hassan District
Objectives	The main objective of the visit was to create social awareness and responsibility among students and to get exposure of various approaches of biological farming and Water management process in detail.
About the Activity	Interaction session was held with Dr. Rajegowda, Chief Scientist, KVK. He explained the students about habitats of animals and shared many of his valuable points regarding cattle rearing, growing and supportive measures to be noted for animals. Students had a great exposure and gained a lot of information from the Scientist about various techniques and methodologies that are carried in modern agriculture field. Later taken students to Field visit at KVK's farm garden where students were able to witness the methods involved in organic farming and various traditional types of cultivation.
