A report on International Day Against Drug Abuse and Illicit Trafficking

Place: RIT Seminar Hall **Date: 26th June, 2024**

Every year June 26 is globally observed as International Day against Drug Abuse and Illicit Trafficking by The General Assembly to create awareness about issues related to drugs and to strengthen action and cooperation in achieving a world free of drug abuse. The United Nations Office on Drugs and Crimes initiated this to ensure the sharing of right facts on drugs from various sources and protecting the right to health.

The National Service Scheme of RIT in association with the Rajeev Institute of Ayurveda Medical Science conducted an awareness programme on Wednesday , 26th June 2024 to raise awareness about dangers of substance abuse and to ensure a drug free and clean campus.

The programme named 'Awareness Session against Substance Abuse' was conducted in the college seminar hall at 010:00 am in the forenoon. The programme commenced with a small skit presented by Ayurveda students. Dr. Chitra, Professor of Rajeev Ayurveda Medical Science, Hassan. She shared a number of drug abuse incidents he came across in his service. He specified how technology has been adversely affecting the life of students and its widespread abuse among the younger generation.
