

Department of Information Science and Engineering

Semester II

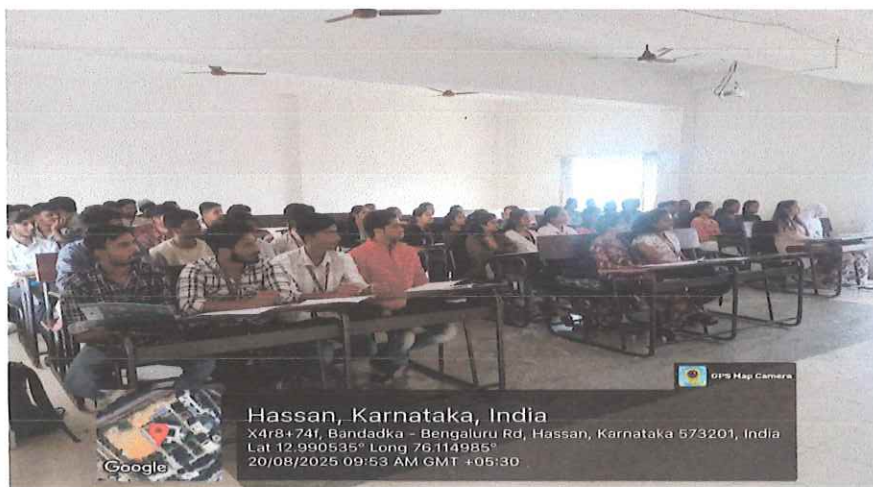

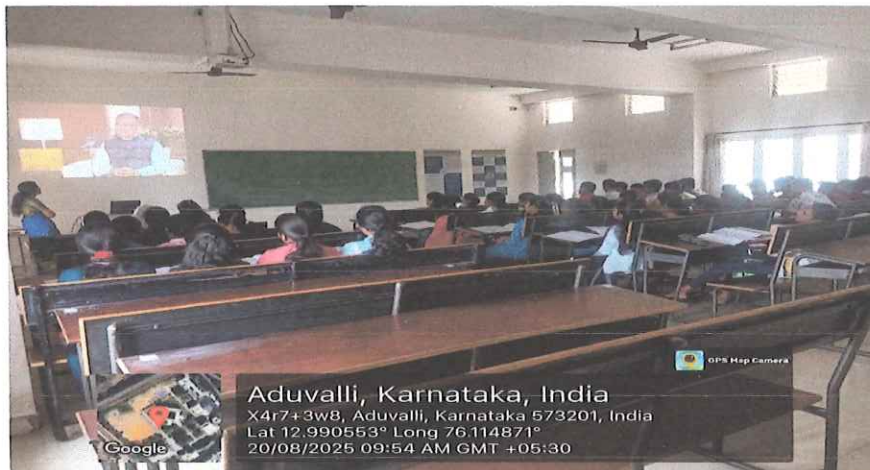

MIC-Driven Activity

Quarter 04

Activity Name	Rashtra Pratham: NSE's Ashish Chauhan shares insights on leadership, innovation & resilience
Objectives	To provide insights into the role of financial markets in nation-building, highlight NSE's contribution to economic growth, and inspire students towards innovation, leadership, and responsible participation in India's progress.
About the Activity	The session featured Mr. Ashish Chauhan, MD & CEO of the National Stock Exchange (NSE), who shared valuable insights on the importance of financial markets in strengthening India's economy. He emphasized the role of technology, transparency, and innovation in driving growth and highlighted how capital markets empower both investors and entrepreneurs. The talk motivated students to understand the broader vision of "Rashtra Pratham" (Nation First) and to contribute their skills and leadership towards building a stronger and self-reliant India.
Date of Activity	20-08-2025
Place of Activity	Rajeev Institute of Technology
Resource Person	Mr Ashish Chauhan, MD&CEO of the NSE
Mode of Conduct	Online
Time	09AM - 10AM
Mandatory / Elective	Mandatory
Participants	63 Students
Outcome	Listeners develop enhanced clarity in career planning and leadership acumen through exposure to real-world experiences. They cultivate adaptability, strategic thinking, and a resilient mindset to navigate evolving professional landscapes. The podcast fosters a deeper commitment to innovation and nation-building among emerging professionals
