REPORT ON RIT MOCK CET AAROHANA-2026

Rajeev Institute of Technology successfully organized a Mock CET examination titled “AAROHANA-2026” on April 11, 2026 aimed at providing Pre-University (PUC) students across Hassan district with a real-time Common Entrance Test (CET) experience.

The event was coordinated by **Dr. M. Somashekhar** and **Dr. Dhanalakshmi B** under the guidance of **Dr. Mahesh P.K., Principal, RIT, HASSAN**. The program witnessed active participation and supervision from Heads of Departments and faculty members of the Basic Science departments, along with support from faculties across various departments.

The Examination department played a crucial role by actively handling the printing process of question papers and other accessories ensuring confidentiality and timely availability for the examination.

To ensure effective execution, multiple committees were constituted including Question Paper committee, Registration committee, Transportation committee, Food committee, Media & Publicity committee. Extensive outreach initiatives such as telecalling, brochure distribution, and online registration through Google Forms enabled wide participation from students across the district.

The program commenced with registration at **9:00 AM** and examination was conducted in two sessions:

- **Forenoon Session (10:30 AM – 01:00 PM):** Physics & Chemistry
- **Afternoon Session (2:00 PM – 4:30 PM):** Mathematics & Biology

Each session was designed to closely replicate the CET examination pattern.

The evaluation work was carried out by resource persons. The marks tabulation process was efficiently managed with the support of non-teaching staff of the Basic Science department, ensuring timely and accurate evaluation.

Key Outcomes

Plot #1 (D), Growth Centre,
Bangalore-Mangalore Bypass Road, HASSAN-573201, KARNATAKA

Principal : 08172-243180 | **Registrar :** 08172-243181
E-mail : principal@rithassan.ac.in | **web :** www.rithassan.ac.in

Key Outcomes

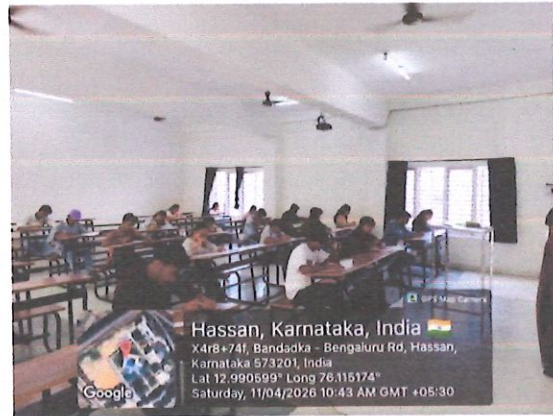

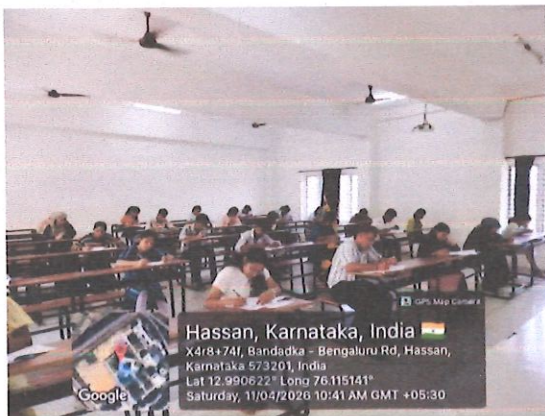

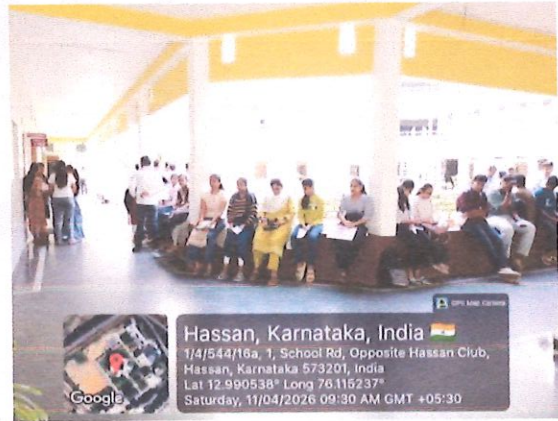

The Mock CET provided students with:

- A realistic examination environment
- Better understanding of the CET pattern
- Improved time management skills
- Identified weak areas
- Opportunity for self-assessment

The initiative proved to be highly beneficial in boosting students' confidence and readiness for upcoming CET examinations.

Conclusion

The successful conduct of "RIT MOCK CET AAROHANA-2026" proved to be beneficial for PU students in preparing for the actual CET. It reflects Rajeev Institute of Technology's commitment to academic excellence and student empowerment, extending its support beyond the institution to benefit the wider student community.
